PROGRESS REPORT

This Progress Report to the President of the United States is the product of work initiated by the American Heritage Rivers Initiative Interagency Committee and Task Force. Many private, nonprofit, and government sector organizations participated in developing the recommendations in this report. The recommendations and proposed reforms do not necessarily reflect Clinton/Gore Administration policy or specific views of any single contributor, but rather, attempt to convey the diverse views of all involved.

AMERICAN HERITAGE RIVERS INITIATIVE INTERAGENCY TASK FORCE

M. Frances Eargle (EPA), Chair and Director
Matthew P. Donoghue (DOE), Director of Communications & Government Affairs
Mary Elizabeth "Bess" Gillelan (NOAA), Associate Director
